People. Passion. Performance.

Over 110 years of experience

Since 1901 the Chicago Pneumatic (CP) name has represented reliability and attention to customer needs, with construction, maintenance and production tools and compressors designed for specific industrial applications. Today, CP has a global reach, with local distributors around the world.

To learn more about our extensive range of tools, construction equipment, industrial and portable compressors, accessories and workshop equipment, please visit www.cp.com.

Titan is now part of Chicago Pneumatic

Since 2001, Titan products are in use every day in a wide variety of industries including oil & gas, mining and construction, power plants, shipyards, steel mills, locomotives, off-road equipment and cranes, and all types of industrial service companies supporting these market sectors. Titan hydraulic tools continually satisfy the demands of the industry during construction, production, breakdown, and routine shutdown repair and maintenance.

Powerful Pneumatic / Hydraulic Pumps

EXA Range Features

- Explosion-proof air driven motor
- 3 stage piston design – faster at working pressures
- Double scale gauge (psi / bar)
- Quiet operation – low noise emissions
- Convenient 15 ft. / 4,5 m remote control

EXA MINI

EXA MAX single port

EXA MAX 4-tool port

EXA MINI Special Feature

Built-in thermometer (°F / °C) for oil temperature check

EXA MAX Special Feature

Sturdy steel full protective frame for greater pump durability and stability on soft or uneven surfaces
