People. Passion. Performance.

Over 110 years of experience

Since 1901 the Chicago Pneumatic (CP) name has represented reliability and attention to customer needs, with construction, maintenance and production tools and compressors designed for specific industrial applications. Today, CP has a global reach, with local distributors around the world.

To learn more about our extensive range of tools, construction equipment, industrial and portable compressors, accessories and workshop equipment, please visit www.cp.com.

Titan is now part of Chicago Pneumatic

Since 2001, Titan products are in use every day in a wide variety of industries including oil & gas, mining and construction, power plants, shipyards, steel mills, locomotives, off-road equipment and cranes, and all types of industrial service companies supporting these market sectors. Titan hydraulic tools continually satisfy the demands of the industry during construction, production, breakdown, and routine shutdown repair and maintenance.

Robust Electric / Hydraulic Pumps

EXE MINI

EXE MAX

EXE MAX Super

2 port versions available for EXE MAX and EXE MAX Super

Single port

4-tool port

EXE Range Features

- 3 stage piston design – faster at working pressures
- Double scale gauge (psi / bar)
- Quiet operation – low noise emissions
- Convenient 15 ft. / 4,5 m remote control

EXE MINI Special Feature

- Built-in thermometer (°F / °C) for oil temperature check

EXE MAX Special Feature

- Built-in lifting hook for superior portability

EXE MAX and MAX Super

- Built-in oil cooler, stabilizes oil viscosity, increasing oil life and reducing wear of pump
- Sturdy steel full protective frame for greater pump durability and stability on soft or uneven surfaces

Model	Type	Frame	Source	Max Power		Max Oil Flow						Max Weight Without Oil		Dimensions (L x W x H)		Oil Cooler
						Low Pressure		Medium Pressure		High Pressure						
						Volt	hp	KW	cu in/min	L/min	cu in/min
